Dear Members,

As many new families and individuals are moving to the Valley, Shaarey Zedek is planning a whole new Hachnasas Orchim/Chesed initiative. The goal of the initiative is to find hosts for Hachnasas Orchim/Chesed for the following groups of people:

1. singles in the community who might otherwise be alone on Shabbos
2. connecting with new or prospective members of the community to help them feel welcome and integrated
3. providing visitors with Shabbos meals, if needed
4. those in our community who could use a break from a long week, need some care and support due to life-cycle events, want to socialize, etc.

To achieve this goal however, we need help from our members. We are looking for at least 10 Shaarey Zedek families who are Shomer Shabbos/ Shomer Kashrus*, who are willing to host. The privilege and work involved in these great mitzvos will be shared among all the hosts. The process is simple: Via email and a Google doc, one can choose to host for a specific date/meal. No one will be expected to host when they are simply too busy. The link to the "sample" Google doc is here: https://docs.google.com/spreadsheets/d/1XC6wBqw97OVdCihbyPqjeQU_K65q_0Ew5VEy_QKHF4Y/edit?usp=sharing.

If you would like to sign up for this special mitzvah, please email hello@valleyshul.com to be a Shaarey Zedek host. Once we confirm the roster, we will create a CONFIDENTIAL hosting team who will receive the email requests via a Google group. Those looking for hospitality will email hello@valleyshul.com and an email will be sent to the hosting team with the details. We will do our best to "vet" guests to our community to ensure safety and a pleasant experience, before requesting hosting.
